Editor's Notes:

The Olympics are upon us once again, and the breadth of events is mind boggling! Since they seem to introduce new "sports" every four years, we think it's about time they consider the "Model A Marathon!" Since Model A's exist in several countries around the globe, it should easily qualify as an international event....

Shall we set up an exploratory Committee??

Notes from Our Director

Wow this year is just flying by and the summer is just staying -HOT- HOT- HOT ! Hmmm -- need a little reggae music to go with that !

Aug 1st will be our next Southside A's Board meet and will be held at my home. The gathering usually starts between 6:30 and 7:00 and runs till about 8:00 when our attention turns to a fun desert. If you would like to come to one of these meetings please call me and let me know.

ICE CREAM NIGHT -- It has been SOOOOO hot here lately that we have not sent out any notices for a ice cream gathering. So on Wednesday August 8th let's try going to the Dairy Queen on HWY 54 in Peachtree City just down the street toward PTC from our last gathering site -Brewster's. This Dairy Queen has an indoor area so if the weather is too hot we can go inside and if the weather is good we can stay outside. This location also has good visual exposure to Hwy 54 to draw attention to our club and our cars.

Looking ahead we will have our annual "MOONLIGHT TOUR" on August the 18th . A special e-mail will come to you soon with details for this tour, so go ahead and mark your calendars now to keep this date open.

Keep an eye on our events calendar for upcoming club events as we have some real good ones coming our way in the next couple of months. And if you have a good idea for a local tour, or breakfast gathering or something unique please let us know and we will see about getting it on our calendar. Your ideas are always welcome.

We look forward to seeing you at some event real soon!

Highlights from the Board of Directors Meeting

The SSA's April Board Meeting was held on July 11th at the home of Phil & Kathie Meyers.

The following members were present: Tom & Betty Miller, Phil & Kathie Meyers, Mike & Gwyneth Shotwell, Jim Johnston, Tom Romine, and Jim & Ann Hunter.

The May 2012 Board meeting minutes were accepted. (Note: There was no Board Meeting in June)

Treasurer Betty Miller reported a balance of \$1225.41. The Treasurers Report was accepted.

Committees

Membership: We now have 46 member families.

Corresponding secretary: Eugene was unable to attend the Board Meeting. Eugene reported the following via e-mail - "I regret to report that the next issue of The Model "A" News will not contain a report from the Southside A's. I do not recall having failed to get a report into The Man, since I took on this duty? But, with Kathleen's fall, I missed the submission, required to be filled in late May.

Newsletter: Mike & Gwyneth would like to continue the 'Meet The Southside A's' feature in the Newsletter. They need members to fill out the questionnaire in order for this to happen. They will explore ways to get the membership interested in this feature. Mike & Gwyneth also brought back some local Newspapers from the national meets in Oshkosh and Marquette. They gave these to Ann Hunter for the scrapbook.

MAFFI: Mike reported that he may be asked to help MAFFI solicit Ford Motor Company for a financial contribution for the museum.

Activities: The Board is seeking an individual or individuals to take over the Activities Chair position. Other venues for breakfast 'tours' are being looked into as this seems to be a popular event. Upcoming activities are:

August 18th 2012 Moonlight Tour to Bruckner's restaurant.

September 22nd 2012 Tom Romine reported that The International Model A Day tour to the Lighthouse Restaurant & Barbara Kitchens 'Farm' (tentative) will not take place as the Lighthouse has burned down! Tom will consider another location.

November 9th 2012 Annual Business Meeting and election of Officers.

New Business: Phil noted that we need to start looking ahead to the elections for 2013 officers. Board members were encouraged to try to get members involved with helping to steer the club in 2013.

Respectfully submitted,
Jim Johnston, Recording Secretary

AUGUST

The Southside Spy

(Editor's Note: this section reports rumors, sightings and other miscellaneous pertinent data. Factual information is always sought, however, misstatements, distortions and outright fabrications will also be strongly considered).

The Southside Spy team of deep-cover operatives were dispersed into the hinterland to discover the reasons for the recent onslaught of new SSA members from east, central, and south GA, and as far off as central Florida. The current theory being bandied about is that these new folks have gotten wind that **Paul Beeghly** may regularly be preparing his pork and beans for future events. *“I heard a man on death row ate a whole pot for his last meal,”* someone was heard to say.

More from Deep Cover: Information from the Southside investigative staff has revealed the back-story of secret meetings in Oshkosh, between a representative of the editorial staff and **Tom and Betty Miller**. The hush-hush was all about negotiations for their new A400. It is reported our **co-editor** even feigned illness to assist in the clandestine dealings, using white studio makeup to make himself look pale and sickly when he was, in fact, robust and in full vigor (with strong encouragement from **the Millers**, of course).

Summer Picnic at the Meyers'

The annual summer picnic/food bring-a-long was held on Saturday morning, July 21. Hosted by Director Phil and Kathie Meyers at their beautiful home in Fayetteville, the event drew an enthusiastic crowd, all of whom showed up with armfuls of great food. The star of the event was Paul Beaghly who a rose at 4:00 am, pulled down his deep, Amish-style country iron pots and skillets, and proceeded to cook up a pot of some of the most incredible ham and beans this humble editor has ever eaten, topping it off with skillet-made apple crisp and a pineapple upside-down cake. This is not to downgrade any of the other wonderful dishes contributed by the SSA ladies, but Mr. Beaghly had to be singled out for his stupendous culinary efforts in our behalf. Perhaps we need to designate a new Board Position of "Master Chef!"

The SPREAD!

Listening to the banter among the throng revealed conversations about cars in general; Model A's and Duesenbergs; the previous national events in Oshkosh and Marquette; restoration progress; the Miller's and Hunter's new cars; the Lighthouse Restaurant's kitchen burning down; rug hooking and needlepoint, just to mention a few. It was a festive, fun time. Our congratulations go out to our fearless leader and his bride for a great afternoon. Your house looked beautiful. You guys do it right every time.

The humble Mr. Beaghly surrounded by admirers.

The Millers sharing a good time with Merle Bennett.

Attendees: Phil & Kathie Meyers, Paul Beaghly, Jim & Ann Hunter, Mike & Gwyneth Shotwell, Rick & Liz Horne, Merle Bennett, Jack & Dreana Miller, Fred & Kathy Huey, Tom & Betty Miller, Tom & Liz Romine, Larry & Jackie Peterson, Dick Carne, Jim & Jackie Johnston.

MAFFI UPDATE

The third weekend in September has been established as **Model A Weekend** at the large Gilmore complex, every year. The first Model A Day was last fall when a tent was set up at the location of the museum and people came from far and wide to see the site and what was intended.

This year, **Saturday, September 15, 2012**, we are planning to give you a one-time opportunity to **'Put your Model A in the Model A Museum'**. You will be able to drive your car in, stop, have your car photographed in the museum, drop off either a donation of money, a part, accessory, or something for the museum, and then drive out the back door.

So **don't miss this opportunity!** The museum will be filled with cars and exhibits by the Third Model A Day, the third weekend in September, 2013, so this year may be your only chance to have **your** car in the Model A Museum. –MAFFI Trustees
