Notes from Our Director

It is 2012 and we are off and running. Let this be a year of driving your Model A and enjoying the friendship of your fellow club members.

Due to a situation that I could not control I was not able to attend our Dinner and a Movie event but understand that, as usual, a good time was had by all. The group enjoyed hot dogs and snacks, had a door prize drawing and then watched the Great Race movie. Thanks go to Tom and Betty Miller for hosting this event again this year.

Our February event is scheduled for the 11th and will be a St. Valentine's day morning tour and a nice lunch for our Valentines in Senoia at Founders Restaurant. If you would like to participate in this event, please let me know by February 8th.

----- Board Meeting Notice ----- ALL Club Members are Welcome----

The next Board Meeting will be held at the Meyers Home on **February 8th at 7:00**. We will provide coffee and dessert at beginning of the meeting. Please come to the meeting and be a part of our club plans.

----- Positions Available! -----

Club Activities Director ---- Sounds a great deal harder than it really is, and the responsibilities can be shared by up to three people to make it easier yet. No experience required!

Club Fashion Editor ----- All research is available from the Web or your local library. You can make this position fit your interest and have some fun with it. No experience required!

WELCOME!
Mike & Cathy Harrington
of Jupiter, FL.

Minutes of Board of Directors Meeting

The SSA's June Board Meeting was held on January 4th at the IHOP in Fayetteville.

The meeting was called to order at 7:05PM by Director Phil Meyers. The following members were present: Tom & Betty Miller, Dick & Jane Carne, Eugene & Kathleen Willingham, Phil & Kathie Myers, Mike & Gwyneth Shotwell, Jim Johnston, Tom & Liz Romine, Jim & Ann Hunter, Paul Beeghly, and Ray Crisp.

The December 2011 Board meeting minutes were accepted.

Treasurer Jim Hunter reported a balance of \$1203.41. A Motion was made & approved to accept the treasurer's report. Jim was recognized for his tenure as Treasurer. He and Betty Miller will take the steps necessary for Betty to take over as the new treasurer.

Committees

Membership: An application for membership was approved and accepted for Mike and Cathy Harrington from Jupiter, FL. Their membership will bring our total to 43 (if all present members pay their 2012 dues - (5) still outstanding). Jackie Johnston has sent email reminders to those outstanding.

Corresponding secretary: Eugene has submitted two articles to the MARC National Newsletter. Eugene is also completing the 2011 mileage numbers for submission to MARC.

Fashion: No report. We are still looking for an individual to fill the Fashion Chairperson position.

Newsletter: Mike & Gwyneth have done some research on the printing and mailing of the Newsletter to members that do not have internet access. With the Newsletter now averaging 18 pages it is becoming cost prohibitive to print the newsletter in color. Other options are being explored including black & white printing, and asking member Jason Carne if he could help with the printing. Eugene Willingham has volunteered

to print the Newsletter as required until an acceptable solution is found.

Recording secretary: Jim Johnston as welcomed as recording secretary for 2012.

Scrapbook: Ann Hunter's excellent work with the Scrapbook will continue in 2012. Ann is starting the 4th Scrapbook this year, and is always looking for contributions.

Tech: Benny Bohanan has agreed to assume the Tech Chairperson position for 2012. Due to Benny's location in Maysville, GA, he will not be attending the monthly Board Meetings.

MAFFI: The groundbreaking for the Model 'A' museum in Hickory Corners, MI is scheduled for April 17th - weather permitting!

Phone Tree: Merle Bennett was not present.

Activities: The Board is seeking an individual or individuals to take over the Activities Chair position. Upcoming activities are:

February 11, 2012 Valentine's Day Tour and Lunch.

March 10, 2012 Joint tour with CAMAFC to Anniston/Oxford and Talladega Speedway and Motorsports Hall Of Fame Museum.

Old Business: There was no old business discussion.

New Business: Eugene Willingham, Tom Miller, and Jim Johnston made the drive to Euharlee, GA, to evaluate the area for a possible one-day tour destination. The area is very rustic, with a covered bridge, museum, general store, and well known restaurant. No decision was made on a tour, but may be a future event.

Larry and Jackie Peterson have volunteered to host a one day tour in April - possibly on the 7th. Details are not final, but it will begin at their 'Ranch' and will include a visit to see a Model Railroad display, and have a catered barbeque lunch at a local park.

Phil Meyers is working on the details for an overnight tour to the Forsyth, GA area in April (27th & 28th). Jim Hunter has agreed to help Phil with the route planning, and accommodation details.

Tom & Liz Romine have scouted out a new potential destination for one of our 'dinner tours'. The venue is the Lighthouse Restaurant in Milner, GA. The Board agreed that Tom & Liz should get more details.

Phil Meyers suggested that the club consider printing business style cards with the club logo and spaces for members to write in their name and contact information. The purpose of the cards would be to give to potential members. The Board authorized the printing of the cards, and Dick

Carne agreed to contact Jason Carne to see if Jason can coordinate the printing.

The meeting was adjourned at 8:20 PM.

Respectfully submitted,
Jim Johnston,
Recording Secretary

“Technical O & A”

By Bentley Bohanan, Tech Editor

Many articles have been written on the operation and maintenance of the Model A Ford. Here is a short cut to Starting the car, especially after the car has been parked overnight.

Startup:

- 1- Place the transmission in Neutral.
- 2- Put both control levers (behind steering wheel) in the full upward position.
- 3- Pull the gas lever (the one on the right) down just until you see the gas pedal move.
- 4- Reach under the gas tank on the right side of the car and turn the gas valve on- downward.
- 5- Turn the ignition switch to on.
- 6- The carb enrichment doubles as the choke, turn this to the right, until it stops turning, then back to the left ½ turn.
- 7- Pull the choke lever out and hold it out. (Cold Starting Only)
- 8- Push the starter pedal down. –Hold choke until the engine fires, usually within 3 seconds.
- 9- As soon as the engine fires, push the choke back down.
- 10- When the engine begins running, you can push the gas lever back upward.
- 11- As the engine warms up, pull the spark lever (the lever on the left) down about halfway.
- 12- Keep the spark lever about 2 clicks from the bottom for normal driving.
- 13- Spark lever may be pulled all the way down for high speed driving- over 45 mph only.

Shut down:

- 1- Put both levers in the full upward position.
- 2- Reach under the tank and turn the gas valve off- lever will be sideways, toward the left.
- 3- Pull the parking brake lever
- 4- Turn the ignition switch off
- 5- Check the lights to make sure they are off- light switch should be straight down.

I usually give a copy of this information to any of my customers who may need it. Your car starting procedure may be different in some ways, but this will usually get you up and running. Have fun in those A's and let's get ready for some good trips.

Happy Motoring, Bentley Bohanan

Dinner & a Movie!

What a wonderful evening we had at Tom & Betty Miller's home for Dinner and a Movie! The request to don one's Era Clothing, or portions thereof, was nicely responded to. Ray and Teri Besch, Mike and Gwyneth Shotwell, and the Millers enjoyed their hot dogs and sides while displaying hats (both felt and straw), gloves, jewelry, Mary Janes, saddle shoes, overalls, knickers, and more, to the apparent delight of the other members.

The camaraderie and conversation was comfortable and entertaining, with the opportunity to get caught up with friends we may not have seen for a while. And where else can you go to the movies where you can win wonderful door prizes? There were two sets of drawings; one for the

ladies, one for the men. Everyone got a chance to choose from a diverse array of items provided by the club, including vintage jewelry graciously donated by Betty Miller for the women, and gear-head things for the guys. No one left empty-handed.

Our movie, "The Greatest Auto Race of 1908," was enjoyed by all, and reminded us once again just how rugged and resilient the early cars really were. To circumnavigate the world, over 22,000 miles from New York to Paris, beginning in snowy February, was a feat of mammoth proportions, undertaken with old-fashioned

determination as well as a fair amount of cooperation and good will. It was really fun to see recreations of the race, with the old cars from the U.S., France, Italy and Germany, coupled with photos from the actual event filling out the story. The reproduction cars were assembled with modern equipment, including disc breaks that were made invisible through the magic of movie Photoshop.

So, having eaten too much (a requirement of our gatherings, of course), enjoyed a well done auto-centric movie, and been rewarded with party favors, we headed home after another satisfying gathering of the Southside A's.

The following movie buffs attended: Tom & Liz Romine, Jim & Jackie Johnston, Mike & Gwyneth Shotwell, Merle & Lisa Bennett, Tom & Betty Miller, Dick & Jane Carne, Ray & Teri Besch, Mike & Carole Foran, Richard Sewell, Jim Wingo.

The Southside Spy

(**Editor's Note:** this section reports rumors, sightings and other miscellaneous pertinent data. Factual information is always sought, however, misstatements, distortions and outright fabrications will also be strongly considered).

The Spy Network: Our team of inside investigators has been chasing down rumors that **Mike and Carole Foran**, after their success with "The Wettest

County in the World," were madly driving around movie studios trying to place their Tudor in more films. "It's a good business," said **Mike**. "I'm planning to buy five more cars." As a side note, he also mentioned he's perfecting a portable still...but he didn't want that mentioned. Unfortunately for **Mike**, the editors were forced to disregard his wishes as they are only interested in reporting the truth to their readers.

Valentine's Tour

Grab you Sweetheart, warm up your Model A, and join us for a leisurely Saturday morning drive. We will meander through our local countryside and find ourselves at The Founders Restaurant in lovely Senoia. There, we will enjoy a delicious lunch, while wooing our Valentines. You are encouraged to don your cloche hat, knickers, Era jewelry, bow tie or full-fledged outfit to enhance the festivities. Final particulars are still to come. Contact Phil Meyers to express your intent to participate.

Bits and Pieces

Swap Meet in Marietta - February 11-12:

Gary Duncan, the friendly coordinator of automobiles that were used in "The Wettest County in the World," belongs to the Vintage Chevrolet Club of America. He contacted us to let us know that his Heart of GA chapter will hold their 3rd annual swap meet on Feb. 11-12 from 8am to 3pm, at J. R. Miller park in Marietta, GA. He will be one of a multitude of vendors (they had over 250 last year), and will have a lot of new and used **T Model** and **A Model** parts for sale.

It's Jasper ArtFest time again in North Georgia, April 21:

Our friend John Martin from the Gold Mine Region is once again organizing the participation of Model A owners and their cars in the annual ArtFest in Jasper. As per last year folks will meet at the Sheriff's Department 10-10:30 and the High Sheriff will parade the group over to Main Street in downtown Jasper at 11:00, where they will have the entire length of Main Street blocked off for the festival and a reserved place for all the cars. The cars will be on display from 11:00 to 3:00, after which you can continue fellowship, browsing, or whatever suits. For more details, and to join in, contact John at **706-692-7626(home)** or **706-692-4234(office)**, or email at john@gsi-executes.com.

THE 2012 MARC MEMBERSHIP MEET

To be held in historic
Perrysburg, Ohio

The Whitehouse A's extends to all, an invitation to enjoy the hospitality and history of Northwestern Ohio. Our Host Hotel is the **Hilton Garden Inn** located in the Town Center at Levis Commons, in Perrysburg, Ohio, just across the Maumee River from Maumee and Toledo, Ohio.

The **City of Perrysburg**, founded in 1810, was named to honor Commodore Oliver Hazard Perry's victory over a superior British fleet during the 1813 Battle of Lake Erie, and symbolized by the Commodore Perry statue on Main Street. Just a few blocks away is the reconstructed and historically accurate **Fort Meigs**, built by our future President, General William Henry Harrison. Stop in the museum and walk within the fort to experience what military life was like in the early 1800's.

If your interest goes more toward ships, than you can't miss touring the Great Lakes Museum Freighter, **Colonel James M. Schoomaker**,

launched in 1911, it was the "worlds largest bulk freighter", the interior furnishing rivaled such magnificent trans-Atlantic steamships as the Lusitania and Olympic. After touring the ship, perhaps a stop at **Tony Packo's Café** for a "Hungarian Hot Dog". Packo's was made famous by **Jamie Farr** as "Klinger" on the TV show M.A.S.H.

Save some time for a visit to **Toledo Museum of Art** with its stunning amount of art and antiquities, and the new **Glass Pavilion** with its beautiful display of ancient and locally made glass objects including a large exhibit of Libbey cut crystal. The National recognized **Toledo Zoo** is home to the worlds first **Hippoquarium**, an underwater viewing exhibit. A recently opened African savanna exhibit allows viewing the animals in a natural setting among the trees and bush natural to them.

"Batter Up", how about taking in a home opener of the **Toledo Mud Hens**, the Detroit Tigers AAA farm team, in their beautiful new downtown stadium. If shopping is what you like, try the shops in **Levis Commons**; visit the **Libbey Glass Outlet** in Toledo, the shops and antique stores in Perrysburg, Maumee and Toledo. Driving opportunities abound, including a trip to the Lighthouse in Marble Head, Ohio, a couple miles drive to the new **Hollywood Casino**, to the **Snooks Dream Car Museum**, or just a leisurely drive along the Maumee River.
