2015 Events of Interest

April 10-12	MARC Membership Meet, Joliet, IL
June 7-12	"Lobsters and Lighthouses" MAFCA tour, Kennebunkport, ME
June 21-26	MARC National Meet, Niagara Falls, Ontario, Canada

Editor's Notes:

This month we get a chance to warm up our A's and venture out on the first tour of the season when we partake of the Valentine's Day Tour on February 7. Then next month, March 6-7 our Alabama friends are hosting a fun tour out of Oxford that will have the A's driving the race track at Talladega. If you haven't taken part in this adventure it is really a must-do. And at the end of March there will be a "Touring Tune-up" event at the garage of Bob & Cheryl Simpson, where you can get some tips on what to look at as you get your car fully ready for touring, as well as enjoy a BBQ lunch.

Look for news on all these events inside this issue!

--Gwyneth Shotwell

16th - Dick & Jane Carne
16th - Marshall & Susie Pape

Notes from Our Director

What is it about these old cars?

I am still fairly new to the Model A hobby and amazed by the power these old cars have to bring people together. People from all walks of life and backgrounds meet on common ground and share the experiences of owning, loving, driving and working on our Model A's. The wide spectrum of people involved in our hobby is uncommon these days when you think about it. Despite our differences we go to extra lengths to help and support each other whether its Model A related or not. Each one of us has a story to tell about being helped or helping another Model A owner when it really made a difference. Our cars range from near perfect, pampered and protected queens to rough and ready drivers ready to take on any road anywhere. The types and conditions of our cars are as varied as our membership. No matter the type or condition of these cars, we love them and enjoy them. There's just something about the way they look, sound, smell, feel and ride that hooks us.

During the late 1920s and early 1930s people had to depend on each other; times were hard. Somehow these old Model As have the power to bring back those values and behavior that we seldom see today. While they have survived in great numbers due to the quality Henry built into them, I think they have survived in great numbers mostly due to the love we have for them and that magic they can work on people. Let's keep enjoying the cars and each other!

-Bob

VALENTINE'S DAY TOUR, Saturday, February 7th!

We will gather at Sam's Club, corner of Hwy 34 and Fischer Rd. in Sharpsburg at 9:30. The Johnstons and Simpsons will lead us on a lovely, first-of-the-year tour that will have us ending up at Frank's at the Old Mill on Hwy 54 in Fayetteville for a delicious lunch.

Please RSVP to the Simpsons at simpson.tractorworks@yahoo.com

Dinner & a Movie!

January 17, 2015 at 5:00 pm, at the NEW home of Jim & Ann Hunter

It was delightful to mosey down the long driveway to Jim & Ann Hunter's brand new home to enjoy Dinner & a Movie on the 17th. The winding road was decorated with helpful signage to encourage first time visitors that they were on the right path!

Once arrived, the crowd of seventeen guests got right down to friendly visiting, followed by a yummy supper of hot dogs, chili, and all the fixin's. Everyone had brought items to share, from chips and dip, various salads, and an enticing array of desserts.

Jim and Ann had decorated the tables with Model A illustrated cards that contained a quiz question, and the answer on the bottom. It was fun to see how knowledgeable (or not) we all were.

With popcorn popped and handed out we settled in for the movie, "**TUCKER: The Man and his Dream**" starring Jeff Bridges in the title role. It's an inspiring story of Preston Tucker's unstoppable drive to build his namesake car, which featured many safety features and advances not seen in the automobile industry. He was the proverbial "man ahead of his time," and a variety of obstacles resulted in a mere 50 Tuckers being built before the company went out of business.

Possibly the most interesting result is the fact that some 43 Tuckers are still in existence, many of which were used in the film.

Happy guests.....

The "Movie House"

Marc Dues now \$40/yr.

Don't forget to renew your MARC membership, a requirement for membership in Southside A's.

The renewal form is in the latest Model A News.

AND THE WINNER IS.....

Many thanks to all of those who voted in our just-for-fun contest. Once again, every one of the photos received votes. There was a clear cluster of three top vote recipients, and only 2 points separated our 1st and 2nd place winners.

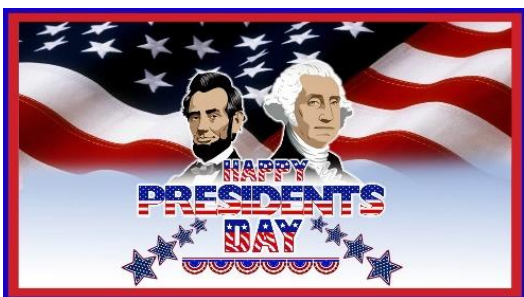

MISS 2014:
OCTOBER

2nd Place:
MISS MARCH

3rd Place:
MISS FEBRUARY

"Be kind to your dentist. He has fillings, too."

--Lexophile quote for the month

Featured Photo of the Month: (As with 2014, we will be featuring photos that glorify the Model A in all its varied styles, and enhanced by beautiful or intriguing settings. Keep track of your favorites throughout the year and we will once again take a tally and announce the winner for “Miss 2015.”)

FEBRUARY

GET YOUR “A” READY FOR THE TOURING SEASON.....

Saturday, March 28, there will be “Touring Tune-up” tech meet at the home of Bob & Cheryl Simpson, including a BBQ lunch! Bring your Model A and get some useful hints for putting it in shape for the season. You can have your car looked over, ask questions, and get recommendations for possible tune-up techniques.

Ladies, you are more than welcome to join in, as mechanical inclination is not limited to the male of the species. However, if this isn't your thing, Cheryl will have some fun activities planned indoors, which will naturally include friendly visiting. Ladies (or gents) may bring a dessert, if they're so inclined.

WHEN: Saturday, March 28

WHERE: The Simpsons – 8735 Watkins Rd., Chattahoochee Hills, 30268. 770-463-5833

FASHION FINDS... By Gwyneth Shotwell

Modern Priscilla, February, 1928

These varied outfits illustrated a craft and decorating product for enhancing a "black satin evening wrap or negligee, or a glorified version of the coolie coat" with brilliant colors and dramatic patterns.

Ladies could order the kits that contained a perforated stamping pattern, "bronzes" that were colored powders, and the tools to apply them. There was a creamy plastic substance for making the overall design using a stiff flat brush, and a cone in the kit could be filled and used to create outlines and raised patterns. The bronzes were then sprinkled on the substance for color. Colors ranged from pastels to "brilliant high colors." Ordering was available through the magazine itself. And the results were...

"Like Star Dust and Moon Magic"

MAFFI LICENSE PLATE TOPPER

Consider purchasing this wonderful MAFFI tag topper for your Model A. Proceeds benefit the Model A Ford Foundation Endowment Fund and on cost \$15, plus \$2 shipping/handling. Send your check for \$17.00, made out to MAFFI, to:

MAFFI
4532 Merridock Ct.
Santa Maria, CA 93455

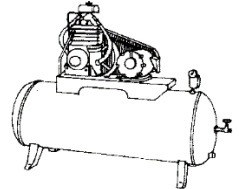

For questions, contact Jay McCord at: 805-598-8133, jemccord@aol.com

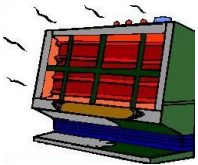

Bentley Bohanan Q and A

Q: I like to drive my Model A on the weekends. Sometimes I go for a month or so without driving it at all, but it always starts right up. How much air pressure should I run in my tires?

A: Sounds like you have a good car. The more you drive it the better it will run. You are smart to think about your tire pressure, especially if you don't drive it that often. 35 psi is the correct pressure. If you run your tires low, this will adversely affect the handling and tire wear. Keep a small air pressure gauge in the door pocket and check them every couple of weeks.

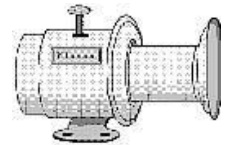

Q: Now that is getting colder outside, I'm thinking about installing a heater in my Model A. What are my options?

A: The most popular is a "Manifold Heater". There are a couple of different kinds. The first is an Autolite heater. These have not been made in many decades, but can be found. They are also known as a "waffle" heater because the manifold has a special appendage with a cast iron cover on top that heats up the air before it goes into the car. Since these manifold heaters are very old you must inspect them carefully for cracks. You don't want any exhaust gas coming into the car with you. There is also a kit that converts your standard manifold to a heater. These are available at Mike's, for about \$90, including the heater and the door that mounts onto the firewall. Another option is to rig up a hot water type heater. This plumbs into your cooling system. This does take up some room inside the car. Whatever you do, it will make those cool mornings much more enjoyable.

Q: I have noticed that my Ahoogah horn is sounding very weak lately. It sounds more like a cow bellowing. What can I do?

A: I would guess since the horn has always worked until now, it just needs a little maintenance. Remove the back cover off the horn with the small flathead screw. Be careful not to turn the adjustment screw, you will know the cover screw because it has a small lock washer underneath. Now you will see the Armature where the brushes run. Clean this area thoroughly with a soft cloth dampened with some WD-40. Now lubricate the ends of the Armature with some 3-in-1 oil. If you look carefully, you will see a couple of felt washers on the ends of the Armature. Just put a couple of drops of oil on these felt washers. Now try your horn again and I bet it sounds much better. You may have to turn the adjuster a click or two either way to get that desired "Ahoogah" sound once you put it back together.

See You in the Shop!

MARC Driving Awards 2014

Southside A's have submitted their 2014 report to the MARC Driving Awards Program. 2014 was the lowest reported miles driven, since our first year of reporting. In 2006 we reported only 3 cars for a total of 7,582 miles. In 2014 we reported 24 cars for a total of 27,890 miles. From our first year of reporting in 2006, we increase miles each year through 2011. Each year since, we have reported a decrease in miles driven.

Even though we have reported a decrease in driving miles, we still have some members with very outstanding driving records! Tom and Betty Miller continued to be our top drivers. They drove Daisy Ford a total of 4,359 miles, plus 58 miles in their 400-A. Tom and Betty have huge plans for 2015. Ray and Teri Besch were our number two drivers, at 4,269 miles. Ray and Teri remain our all time leaders, at 57,533 miles! Jim and Kim Wingo were our number three drivers, at 3,770 miles. Next came Pat and Pam Tyler at 2,262 miles, followed by Bob and Cheryl Simpson at 1,992 miles.

Those who qualify for awards in 2014 are:

Ray & Teri Besch	55,000 award level
Tom & Betty Miller	30,000 award level
Dick & Jane Carne (Roadster)	20,000 award level
Larry & Jackie Peterson	10,000 award level
Jim & Kim Wingo	10,000 award level
Bob & Cheryl Simpson	5,000 award level
Pat & Pam Tyler	5,000 award level
Mike & Gwyneth Shotwell	2,000 award level

Let us strive to reverse our trend in 2015! Let's put those Model A's on the road and have loads of fun and fellowship! If your car is not registered for this program and you would like to register, get in touch with Eugene Willingham. Remember to renew your 2015 MARC Membership!

**TOUR OF THE TALLADEGA SPEEDWAY
AND MUSEUM
MARCH 6-7, 2015**

The Central Alabama Model "A" Ford club will conduct a tour of the Talladega Speedway on March 6-7, 2015. The meeting will be filled with a lot of activities of fun & excitement including kicking tires with fellow club members around the Southeast, dinner in a great Model "A" Ford Museum, visiting the International Motor Sports Hall of Fame, and the

chance to put your Model "A" Ford on the fastest Speedway in the country "The Talladega Super Speedway"

FRIDAY March 6, 2015: Arrival and check in at the Quality Inn in Oxford Alabama. Visit local antique stores looking for those great finds you just can not do with out. The fun will continue Friday evening at 6:00 p.m. with some good "ole" Model "A" fellowship, 50/50 drawing, great door prizes, picking and grinning with the Blue Grass Buddies, and the famous "FIREHOUSE DINNER" in Gerald Grizzard's Model "A" Ford Museum, 1 mile from the host motel.

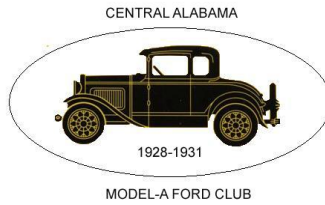

SATURDAY March 7, 2015. After breakfast and check out we're off to the Talladega Speedway for our spin on the race track and tour of the International Motor Sports Hall of Fame Museum. 7:30 to 7:50 a.m. we will assemble in the parking lot of the Lone Star Restaurant (Next to the Motel) and depart at 8:00 p.m. for the Talladega Super Speedway. After our laps on the race track we will proceed to the International Motor Sports Hall of Fame. After our tour of the museum we will saddle up in that "Ole A Model" and we're off to the rustic R&B Bar-B-Q Restaurant in Lincoln Alabama for lunch.. After the noon meal we will end our weekend activities and be released to head out for home: by club or individually and the completion of another great tour on the "MODEL-A HIGHWAY".

If you would like to tow your Model "A" Ford to the meet there is a designed parking area for tow vehicles 1 mile from the host Motel. Coordinate requirements with Gerald Grizzard at (256) 835-2998 or Cell (256) 310-6463.

All reservations at the Quality Inn must be made no later than February 7, 2015 in order to receive the group discounted rate of \$60.00 plus tax. Be sure to mention you are with the Model "A" Ford Tour when making your reservations, Contact the Quality Inn at (256) 835-2170, Fax (256) 835-2133.

Fire up Henry's Finest and join us in Oxford, Alabama. Registration form attached, if you need additional information: contact Gerald Grizzard: Office (256) 835-2998, or Cell: (256) 310-6463, Email: Gfireman52@aol.com. or Paul M Majerick (334) 312-3029 Email paulmajerick@aol.com
