## Notes from Our Director

Well it is outdoors time and the activities are in full swing. We have day trip / activities -- longer overnight tours and waaaay loong tours in the works ! As you read this newsletter we have several members headed out in their cars to attend BOTH Model A National conventions. I believe only two, the Besch's and Millers, are driving the whole trip in their Model A's. What a trip that will be. The Johnston's and Shotwell's are going as well with their fine cars in tow. We all wish you guys a fine trip and look forward to fun tales of your trips when you return home.

This month we started out with a day trip to Oak Grove Elementary School to share our cars with kids studying the Industrial Revolution in fifth grade classes. This is always a fun adventure as the kids most often are really interested and have interesting questions.

Mid month, several Southsiders attended the HCCA 17th Annual Social Security run. This was a fun tour this year based in La Grange Georgia. This will also be the base location for the tour next year and I hope that lots of you will jump in and enjoy this fun event.

On a local scale be sure to remember our weekly gathering for our **Wednesday evening Ice Cream Socials** -- at Brewster's on Hwy 54 in Peachtree city across from the Publix Supermarket. We usually gather between 6:30 and 7:00 for an hour or so to talk, share our cars with the public and enjoy some ice cream or frozen yogurt.

Watch for a special e-mail soon announcing our first -- **BREAKFAST TOUR - JUNE 9TH**. This will not be a "going some where" tour but a good excuse to get the car out for a short ride and eat too much for breakfast. Everybody is good at doing that.

Watch the Events section in the newsletter for more events to come.

**WELCOME!**  
David & June Petrie of  
Fayetteville, GA

## Highlights from the Board of Directors Meeting

The SSA's April Board Meeting was held on May 2<sup>nd</sup> at the home of Phil & Kathie Meyers.

The meeting was called to order at 7:05PM by Director Phil Meyers. The following members were present: Tom & Betty Miller, Phil & Kathie Myers, Mike & Gwyneth Shotwell, Jim & Jackie Johnston, and Tom & Liz Romine.

The April 2012 Board meeting minutes were accepted.

Treasurer Betty Miller reported a balance of \$1138.72 with four dues deposits pending. The Treasurers Report was accepted.

### Committees

**Membership:** We have gained three members in the last month - Harry Saunders, James Parks, Sean Hobbs, and one returning member, Faith Shiffert. We now have 45 members.

**Corresponding secretary:** Eugene Willingham was unable to attend, but did ask Phil Meyers to inform the Board that the cost for installing the club logo on shirt, jackets, etc. increased by \$1.00 from \$6.50 to \$7.50. The club was charging members \$8.00 with \$1.50 going to the club treasury. The Board decided to pass the increase on to members with the cost now being \$9.00 with \$1.50 going to the club treasury.

**Fashion:** No report.

**Newsletter:** Mike & Gwyneth will continue 'courtesy' e-mailings of the Newsletter to friends of the club, and other interested parties as the need dictates. Gwyneth pointed out that there may be a perceived conflict here as the Newsletter is a benefit of membership yet the 'free' copies go out every month. The Board does not see a conflict here as it is necessary to distribute the Newsletter to certain clubs and individuals that are not members. Mike and Gwyneth will insure that the Newsletter is e-mailed to those firms that advertise in the Newsletter.

**Scrapbook:** Ann Hunter is starting the 4<sup>th</sup> Scrapbook this year, and is always looking for

contributions.

**MAFFI:** Groundbreaking for the Museum has occurred and construction is underway.

**Activities:** The Board is seeking an individual or individuals to take over the Activities Chair position. Upcoming activities are:

**June 9<sup>th</sup> 2012** Breakfast Tour - Location to be determined.

**June 15<sup>th</sup> 2012** Eugene Willingham has received a request to display our cars at the Savannah Court assisted living facility in Newnan. Eugene and Phil will coordinate an e-mail to members.

**July 21<sup>st</sup> 2012** Annual picnic and social, with a possible sunrise tour to start the day.

**August 18<sup>th</sup> 2012** Moonlight Tour to Bruckner's restaurant.

**September 22<sup>nd</sup> 2012** International Model A Day - Lighthouse Restaurant & Barbara Kitchens 'Farm' (tentative)

**November 9<sup>th</sup> 2012** Annual Business Meeting and election of Officers.

**Old Business:** There was no old business discussion.

**New Business:** Phil has received from MARC an Award Of Continuing Excellence for our Newsletter. Kudos and congratulations to Mike & Gwyneth Shotwell for their efforts. The award will be placed in the Scrapbook. Possible tour to the Atlanta History Center. Details in progress.

The meeting was adjourned at 8:15 PM.

Respectfully submitted,

Jim Johnston, Recording Secretary

## 17<sup>th</sup> Annual Social Security Run, May 17-20

The 17<sup>th</sup> annual Social Security Run, "Roam around Georgia," was a fun-filled four day event in La Grange, GA, orchestrated by **Robert Taylor**, family and friends, under the auspices of the HCCA (Horseless Carriage Club of America).

**Mike and Gwyneth Shotwell** led our group on a scenic jaunt from Newnan to LaGrange late Thursday morning, arriving in time to say hello to old friends, meet others, and generally get situated before registration opened.

The evening tour was scenic and delightful with a perfect temperature. We toured over some of the highways and byways of Troup County with a highlight of crossing the West Point Dam in late afternoon. We arrived at one of the larger pavilion areas at West Point Lake and had a catered barbeque dinner. The cameras were snapping at the plethora of cars...84 total, ranging from the years 1909 to 1941. Representative marqueses included 46 Model A's, Model T's, Overland, Essex, Franklin, Buick, Pierce Arrow, Chalmers, Studebaker, Marmon, Lincoln, Cadillac, and a fabulous 1937 Rolls Royce, owned by Joe Patten, "The Phantom of the Fox."

At West Point Lake.  
Welcome #36!

On the return to the hotel, several of us stopped in LaGrange where they have a nice court square complete with a fountain and magnificent bronze statue of the famed Revolutionary War general, the Marquis de Lafayette. During Lafayette's triumphal return tour through the colonies in 1825, he crossed the Chattahoochee near the present town which was later named "LaGrange" after the general's estate in France. A few the SSA'ers were drawn to the sweet shop bordering the square, to enjoy an after dinner dish of ice cream.

The Friday tour, known as the Medicare tour, took us to the Wild Animal Safari and Pine Mountain. The Safari tour impressed, healthy, well cared for animals...and lots of them. We all piled into a line of old school buses without windows and the tour began. As you pass through the different areas of the park, most of the animals come very close and some of the larger ones attempt entry. When the male adult giraffe stuck his head and neck into the

bus, I have never seen **Mike Shotwell** move so fast out into the aisle as the giraffe's huge sloppy tongue dove into Gwyneth's feed cup. Mike's comment..."Every man for himself," as he left Gwyneth to deal with the behemoth.

**We survived the sniffs and the slobber!**

The Saturday tour to Barnesville was fun for all. We stopped to do some antiquing in Woodbury, where the town welcomed us with refreshments and good cheer. The cars filled the main street and attendees practically bought out the vendors.

Mark your calendars next May for this wonderful event.

The Southside A's were represented by: Jackie & Larry Peterson, Ray & Teri Besch, Tom & Betty Miller, Phil & Kathie Meyers, James & Alice Parks, Jim & Jackie Johnston, Robert Carden, Tommy & MaryJane Simmons, Dick & Jane Carne, Jason & Tina Carne, Rick & Liz Horne, Jerry & Fran Watkins and Mike & Gwyneth Shotwell.

The Saturday night Mexican banquet was emceed by Robert Taylor with the usual fun and frivolity, marking this wonderful annual event where skits were performed, and prizes handed out punctuating the general joy.

## “Summertime, Summertime”

By Bentley Bohanan, Tech Editor

**I’m no weatherman, but it seems to me like it’s going to be a hot Summer! Here are a few ideas to cool off that Model A for some comfortable Summer Cruising.**

Model A’s are great for driving all times of the year. In the winter time we get out the quilts or throws to take the chill off. Fall and Spring are perfect for trips, with the cool air in the early mornings and late evenings requiring a jacket or hat, maybe even gloves. As the days get warmer we shed those extra layers. As temps reach the 80’s we push the windshield out to let in the extra breeze. When the temps get into the 90’s then we will need to make sure we have done everything to keep the engine heat out of the driver’s area. Here are a few things we can check before heading out on a long Summer drive:

**1) Take off that old manifold heater.** If you haven’t already thought of it, remove your old Autolite manifold heater top. Not all Model A’s have them, but if you drive a lot in the winter then you have probably installed one. This is as simple as removing a couple of bolts, then setting the cast iron top on the work bench until Autumn. Use some aluminum HVAC (duct) tape to seal up the heater passage in the firewall. Make sure no engine heat can get through.

**2) Seal up the firewall.** While you have the aluminum HVAC tape out, take some time to seal up all the cracks, seams, and extra holes in the firewall. The temperature under the hood on a Summer day will stay around 200 degrees. Keeping all that heat out of the passenger compartment is the top priority. Seal around the edges of the floorboards while you are at it. Don’t forget the areas behind the cowl panels.

**3) Firewall Insulation.** There are some really nice insulators made for the Model A’s. These are pre-formed and cut to fit perfectly, and really look great when installed. You still need to do step (2) before installing the insulators. PN#’s are A-18572-A, B, or C, depending on year model. These are about \$135.

**4) Floorboard insulation.** You’ll have to make your own insulator for the floorboards. Use heavy wool carpet liner, or the bubble wrap type insulation available at auto parts stores. Use your floor mat as a template and cut it to fit.

**5) Muffler Heat Deflector.** Eliminate the hot spot in the passenger floorboard with a Muffler Heat Deflector. These are available in zinc plated steel PN# A5230HS, or step up to long lasting Stainless Steel in PN# A5230HSS. Less than \$50.

**6) Air Conditioning?** That’s right, there are complete air conditioning systems available for your Model A Ford. These use the very efficient new small compressors, along with custom made evaporators and condensers. You will need to make sure you have done all the above steps, along with converting the car to 12Volts before the Air Conditioning systems can be installed. Complete system with installation is around \$2500, but might be worth it if you really want to stay cool. Once installed you will be guaranteed some really cool cruising in your Model A Ford.

**7) Ice Chest full of Cold Drinks.** Simple as that, a small cooler with several bottles of water, and your favorite soft drinks will really take the edge off the summer heat.

**Enjoy the Summer Drive!**

Happy Motoring, Bentley Bohanan [www.mymodela.com](http://www.mymodela.com)

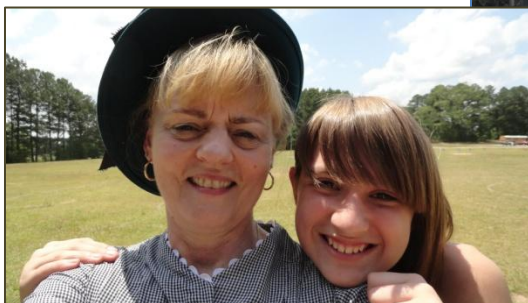

## Southside A's Share Their Cars at Oak Grove School

Phil Myers, Jim Johnston, Tom Romine, Mike Foran, Fred Huey, & Barbara Kitchens were at Oak Grove Elementary on Tuesday, May 1<sup>st</sup> to show their Model A's to about 80 fifth grade students. Jack Miller drove his Stevens Duryea. He wanted to show the students what a car over 100 years old looked like, and two things really impressed them: the fold up seat that made it easy for passengers to get in the back seat, and the windows.

The students asked some very good questions. It was obvious that they had learned a lot when they studied Henry Ford and the assembly line. Of course they all liked the Aogha horns. Students were given an extra treat when Ray & Teri Besch dressed up in their vintage outfits. Teri is a teacher at Oak Grove and the

kids were surprised to see her dressed in era clothing. The girls just couldn't understand why a lady had to wear a hat & gloves whenever she left her house.

**Ray entertains the students while Barbara looks on.**

They were equally impressed to learn that Barbara Kitchens is a pilot & owns several planes.

Phil Myers allowed one very polite girl to sit in the backseat of his car. The next day, she was still talking about it.

The riding is sweet in a Deluxe Towncar!

All in all it was a good day for all and it is always fun to see kids excited to see our cars.

--Teri Besch

## The Southside Spy

**(Editor's Note:** this section reports rumors, sightings and other miscellaneous pertinent data. Factual information is always sought, however, misstatements, distortions and outright fabrications will also be strongly considered).

As reported in last month's issue, Bud Shelton was doing a little "speed dating" on the Peterson Tour. Little did we know that our own daughter, Lauren, was doing much the same around the barber's chair in the General Store. No news yet as to the upshot...

## MARC NATIONAL CONVENTION - OSHKOSH, WI

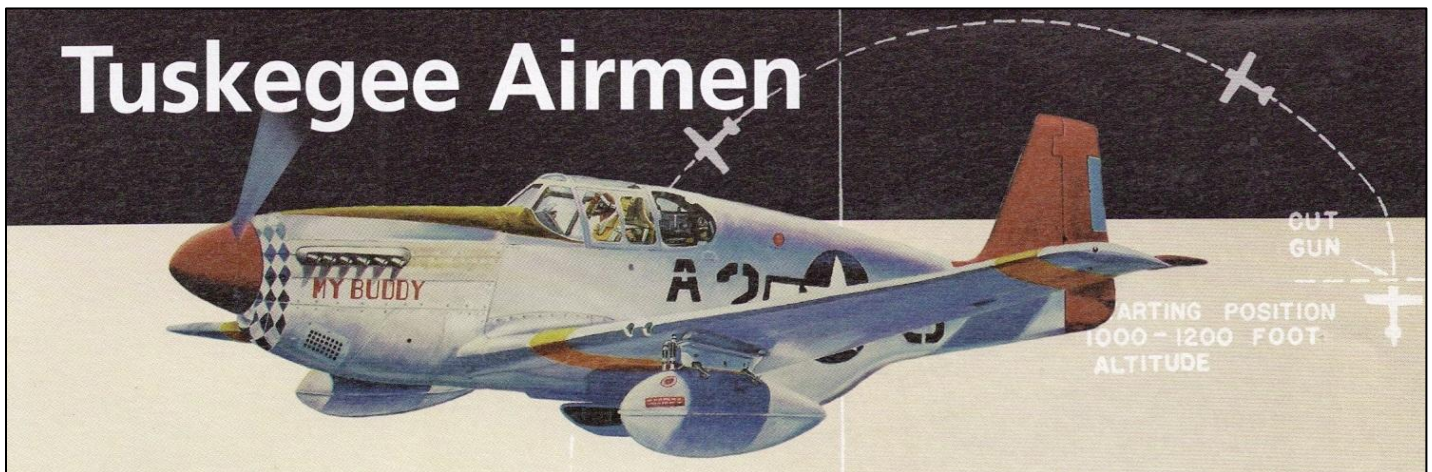

**JUNE 11-15, 2012:** The Nicolet Region of MARC will be sponsoring the National Convention at the Experimental Aviation Association (EAA) grounds in Oshkosh, Wisconsin.

## MARC NATIONAL TOUR - CHATTANOOGA, TN

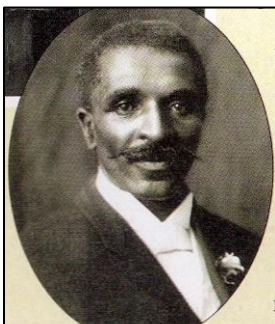

**SEPTEMBER 16-19, 2012:** The Scenic A's have planned many tours, and beginning at the host hotel, the historic Chattanooga Choo-Choo. Make your plans to attend!

## Tour with CAMFCA To Tuskegee, Alabama - September 8

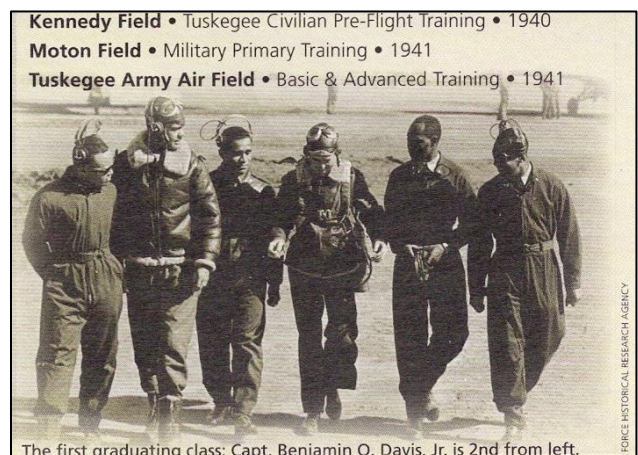

Plans are underway for a fascinating day, touring the Tuskegee Airmen National Historic Site and the George Washington Carver Museum. Having lunch at the Kellogg Conference center, at the center of the campus of Tuskegee University, will round out the day.

This will probably be an overnight tour, leaving Friday afternoon and returning in the afternoon on Saturday. More information to follow.

## Memorial Day Parade

Sunday, May 28, the quaint town of Senoia held its annual Memorial Day Parade. Keeping with tradition, the Southside A's contributed several cars to the festivities, which were met by the throngs of onlookers with great fanfare. The newspaper reported "thousands" in attendance. Flags waved both from the cars and crowd, with patriotic splendor, and our own ex-marine, **Mike Foran**, handed out magnetic "Support our Troops" stickers.

We brought neighbor twins, Austin and Tyler, dressed the part for their first parade, and **Jim Johnston's** mom arrived in town just in time to take part, too. It was wonderful to see **Barbara Kitchens** with her beautiful V8, and to once again enjoy the company of oft-travelling **Jim Wingo**. The Confederate Army was even there to protect the "A's."

The other club members were: **Jackie Johnston, Ray & Teri Besch, Tom Romine, Bud Shelton (with Pedro the dog), Phil Meyers, Tommy Davis, Tom & Betty Miller, Mike & Gwyneth Shotwell.**
