## Notes from Our Director

This year's Annual Valentines Sweetheart Tour has given new meaning to the enthusiasm shown by our membership. Eleven Model A's braved the frigid temperatures to participate. Pat & Pam Tyler and Barbara Kitchens deserve special recognition as they drove their open cars from LaGrange and Milner respectively! See the article elsewhere in this issue.

Coming up this month is the Talladega Speedway Tour hosted by our friends the Central Alabama Model "A" Ford Club. Jackie and I are leading the tour from Newnan to Oxford Al, and the return from Talladega, for this event. Please see the details elsewhere in this issue. At the last report the CAMAFC have nearly 100 people registered for this tour so it promises to be a good one.

As a lot of you know it's not always easy to find local people that have the desire or tooling to work on Model A hardware. Recently I've had some pleasant dealings with local businesses in the processing/repair of Model 'A' parts, and I'd like to pass the information along to you. One issue mentioned repeatedly is where to get your wheels balanced. I learned from member Bob Simpson that Pulliam's Tire & Alignment in Palmetto has the machine and tooling to balance Model 'A' wheels. I went over there with Bob last week and they did five wheels for Bob in about a half hour. I also want to mention Rogers' Locksmith & Security in Newnan. I had acquired an original locking handle for the rear door on the '31 Panel Truck but there was no key with it. Roger's had no problem making a couple of keys quickly and reasonably. If you have had any good experiences like this please let our Newsletter editors know, and perhaps we can have a little monthly blurb detailing your experiences. Hope to see you on the Talladega Tour.

## Highlights from the February Board Meeting

Well, sometimes life just intervenes and keeps us from taking part in certain activities. That's what happened to the February board meeting. Unfortunately, there were not enough participants to constitute a quorum, resulting in no business being conducted. The Treasurer's report was, however, sent to the director, and it appears below.

Be sure to join us on March 6, at Los Mariachis, for the next meeting.

### Treasurer's Report

Balance as of December 31, 2012	\$1,259.86
Deposits	\$225.00
Expenses	\$246.64
Balance as of January 31, 2013	\$1,238.22

**Featured Photo of the Month:** (As with 2012, we will be featuring photos that glorify the Model A in all its varied styles, and enhanced by beautiful or intriguing settings. Keep track of your favorites throughout the year and we will once again take a tally and announce the winner for "Miss 2013.")

# Valentine's Sweetheart Tour

## Who Else But the Southside A's?

It's a February morning. It's 35 degrees outside. A brisk wind is blowing. Why are all these old cars gathering at the Fayette gazebo? Some of the cars do not even have windows! It must be the Southside A's Sweetheart Tour!

Twelve Model A cars, one 1940 Packard and 31 people braved the cold for the Sweetheart Tour on Saturday, February 16. Planned by Phil Meyers, with help from Fred Huey, the tour rambled around country roads in Fayette, Spalding, and Coweta counties. Who knew there were so many cows and horses in Fayette County! People whom we passed, smiled and waved as Phil led us to our destination in Senoia.

As we entered Founders Restaurant, awaiting us were beautiful tables festively adorned with an assortment of Valentine's decorations and candy. Decorations were previously brought to the restaurant by Kathie and Phil and arranged by the Founder's staff as a lovely surprise.

From the noise level of the conversation, everyone seemed to be having a great time. When our food arrived, everything was delicious. A beautiful metal rose and holder created by our own Paul Beeghley, was given away as a door prize. Tina Carne was the

lucky winner to take home the flower.

After lunch, everyone slipped away to shop at the Senoia antique stores or head home. It was a cold day, but a warm group of people with great cars.

Some of our Sweethearts...

The Tylers

The Carnes, and Tina's prize rose.

Attendees: Merle & Lisa Bennett; Dick & Jane Carne; Jason & Teresa Carne; Rick & Liz Horne; Fred & Kathy Huey; Ann & Jim Hunter; Jim & Jackie Johnson; Barbara Kitchen & friend, Ed Perkins; Phil & Kathie Meyers; Jack & Drena Miller; Jackie & Larry Peterson.

## Talladega Caravan

The Talladega Speedway Tour on **March 15<sup>th</sup> & 16<sup>th</sup>**, hosted by the Central Alabama Model A Ford Club, is fast approaching. For those of you that are participating, Jackie and I are leading a tour from Newnan to Oxford Al on Friday March 15<sup>th</sup>, and a return tour from Talladega on Saturday March 16<sup>th</sup>. We will depart from the Little Giant Grocery Store parking lot located at the intersection of US 29 and the GA 34 Bypass. This location is ‘kitty-corner’ to the old Coweta-Fayette EMC property that we used to begin many past tours.

Please arrive with a full tank and empty bladder! We will depart promptly at 11:00 AM. There is no lunch stop scheduled, but we will have a rest/gas stop in Ranburne Al.

If you have any questions or concerns please let us know. Please RSVP if you are planning to join us.

## SOUTHSIDE STYLES By Kathie Meyers, Fashion Chair

The good news is that my broken foot is now healed and I’ve been able to do a little legwork for us! The not so good news is that my computer bit the dust a few days ago with the final ultimate crash this weekend! It will be a few days before I get a new computer with “all my important stuff” transferred to it (I hope!!). Of course, all of my vintage fashion research is being held captive on the crashed machine! I’m attempting to write this month’s column on Phil’s laptop and I’m having a struggle working with it, so please excuse some of my scanned photos and probably lots of other things as I muddle along! Fortunately, we have the lovely Ms. Gwyneth to perform editorial miracles on my mess!

If you’ve had a chance to read last month’s column, you’ll see that my emphasis is to have fun and be comfortable and not worry about absolute rules of vintage fashion. My recommendation is to wear dresses made from 100% cotton fabric, for the coolness and easy laundering of this fiber. So, during the past month have you thought of a style you’d like to wear? Drop waist 1920’s, or 30’s defined waistline?

I know that one thing you and I have been waiting to find out is what will it cost to have a vintage dress made? Good news: we can have a simple dress made from a very high quality cotton 1930's reproduction print for about \$35.00 to \$40.00 (plus pattern) if we sew it ourselves, or add a \$40.00 to \$45.00 seamstress fee to that if you don't wish to sew it yourself. Pretty good news, huh! So, read on for more about fabrics, patterns, seamstresses.

I took my own advice and went shopping. I now have some patterns, fabric, rick-rack and cute decorative buttons. I'll tell you more about that next month. Before we get real busy with springtime get togethers, gardening and fun car tours, how about actually getting a pattern now! It has occurred to me that when I selected patterns, I knew the types of fabrics available which helped me decide what to get. Then, I took my patterns with me to pick out the final fabric. So, maybe it would be better if you go look at the 1930 reproduction cottons and other vintage looking choices *first* to know where you're headed. But, before we get into the sources, I want to really emphasize the need to prewash your cottons before you or a seamstress starts cutting/sewing. Here goes:

Cotton fabric shrinks and you don't want to make a dress only to have it shrink when washed! SO, WHEN YOU HAVE YOUR COTTON FABRIC IN HAND, here's what to do next: wash it in warm water and detergent and dry it in the dryer. Also, any cotton trims, like rick-rack being used, should be washed and dried in dryer. Just put trims in a mesh lingerie bag to keep it from tangling. Or, you can run hot water over the trims in the sink, then put them in the dryer with a small terry towel. So, if you preshrink the fabric, you'll have a very washable garment to wear. If you think you'll always dry it in the dryer, you might want to preshrink the zipper too.

Where to get 1930's reproduction fabrics, locally:

Sewn With Luv, 80 Newnan Station Drive, Suite I, Newnan, GA 30265. (770) 304-1866. The owner is Kathleen Seeley, who is a great gal and friend of mine. The quilt store is located 3/4 mile south of I-85 in a strip mall on Hwy 34 next to Carmike Newnan Station Movie Theater and the Junction Lanes Bowling Alley (where our club often participates in the summer cruise-ins). Also, this is the quilt store where my rug hooking shop was located, for those of you who may recall. So, just stop in and ask to be directed to the 30's fabrics section. Also, take a look at all the colors of rick-rack and buttons. If you fall in love with a piece but don't have a pattern yet, the average yardage is about 3 to 4 yards, so if you decide you just have to have it, 5 yards should be more than enough, for various simple styles and larger sizes. Go for it!

Seams Sew Right & Heirloom Fabrics Store, 400 Stonewall Ave, Fayetteville, GA 30214 (678) 817-7878. This is actually Hwy 54 next door to Leslie's Pool Supplies, a few blocks before (west of) the town square. This store has some lovely vintage looking cottons and most are 60 inches wide. They also have lots of solid color fabrics. You'll notice higher prices per yard on the 60" widths, but much less yardage is needed than 45" widths, so it all works out in the end. The "heirloom" fabrics are really expensive, so don't panic if you see those first – just keep looking!

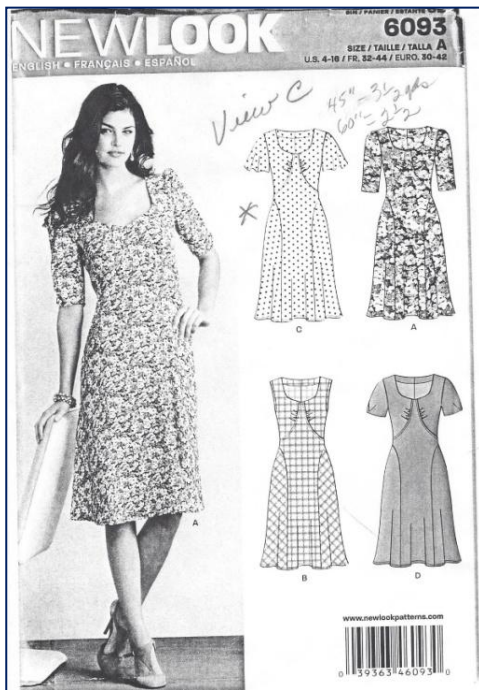

Joann Fabrics, Fayetteville. They don't have any reproduction prints. They did have some interesting cottons with lace inserts, or with machine embroidered motifs. These were like white on white, or creams. Could make a lovely 1920's sheer dress (would need a slip).

You can get another quick overview of the early 1930's look if you're into Pinterest. I have a board titled "Vintage Fashions" where you can see lots of dresses, etc, that I've pinned from various sources. (The Pinterest page is in my name.)

Many of the vintage patterns and reproductions of them can be costly either because of their rarity or due to the costs of reproducing them, so I wanted to see what I could find in NEW current patterns, that might have a vintage style. Also, many of the old patterns need to be altered to fit since they might only be available in one size. I spent several hours at Joann's Fabrics in Fayetteville looking through all of the different pattern brand books. Simplicity, McCalls and Butterick didn't have much. I found some terrific "New Look" designs and purchased a few (only \$3.99 each!). The real GOLDMINE was Vogue. Oh my gosh! Vogue has tons of patterns that can easily be 1920-1930's. I started writing down pattern numbers to go pull them, but frankly, there were so many, I decided that I just needed to let you know so that

you can pick out what you like! They're \$14.99 each! Look for Joann's sales and coupons. Hobby Lobby also has dress patterns, but they do not carry Vogue.

The two photos are current patterns by "New Look" pattern company. These patterns contain sizes 4 thru 18 all included in one pattern and they retail for only \$3.99, so they're quite a bargain!

Pattern #6093: Note how similar the lines are to 1930's dresses in general. The sleeves shown in View C are a very popular era style. With the right fabric, your dress would look very era-perfect! It takes 3 1/2 yards of 45" fabric or 2 1/2 yards of 60" fabric.

Pattern #6121: This basic pattern would make a great 1920's drop waist style. You could eliminate the lower ruffle and make the upper ruffle the desired finished length. You could go with the sleeveless version, or use the cap sleeve, or lengthen it a little, or put the sleeve from Pattern #6093 on it instead. It takes 3 yards of either 45" or 60" fabric. A little more might be needed depending on desired length of dress.

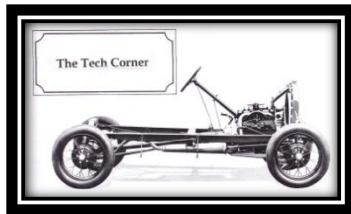

If you don't sew, or do but don't want to....no worries! I've met with a very highly recommended lady who does alterations and other types of sewing. She works out of her home and is looking forward to helping us dress vintage! I showed her the above patterns, and she quoted \$40.00 to \$45.00 to make the dresses pictured here (including a couple of vintage patterns including one with a button front). She wants to do simple designs like these. You would supply the pattern, fabric (pre-washed!), thread and any other notions. She also likes the idea of sewing with cotton fabric, as it is easy to work with. Her name is Pat Zwilling, (770) 683-2444, 17 Pheasant Ridge, Newnan.

We have another seamstress available in McDonough, who is available to make more complicated designs and/or make major alterations to pattern sizes. Her pricing would be higher. Please get in touch with me if you'd like her contact information.

Lastly, if you have any sources for dress making, please let me know. Thanks! If you have any questions, please call me. 770 487-4220, or email at [pkmeyers1@earthlink.net](mailto:pkmeyers1@earthlink.net).

### Product Recommendation

Submitted by Ray Besch

At left is a photo of Rust Blast purchased at Summit. It's about \$30 per gallon and works great. Just spray it on rusty pitted metal and it will remove all the rust and leave a phosphate coating. You can leave it for about 30 days without paint/primer.

We used some at the hot rod shop on some sheet metal that had been sitting around for some time and had developed quite a bit of surface rust. I believe you can also purchase it by the quart. Also, the gallon comes with a spray bottle.

## The Southside Spy

**(Editor's Note: this section reports rumors, sightings and other miscellaneous pertinent data. Factual information is always sought, however, misstatements, distortions and outright fabrications will also be strongly considered).**

A team of investigators employed by the editorial staff recently uncovered shocking information that Director Jim Johnston has been experimenting with a new super wax product to shine up his Tudor. That may have been fine, but the investigator's hidden microphones in the Johnston living room recorded Johnston gloating that he would never share his secret with other club members. His exact words included the slur... "Now, nobody can match my shine...not even Dick Carne's fancy rig." Carne was unavailable for comment due to the fact that he was nursing a severe headache. This was apparently caused by gazing at his recently

restored Fordor as the morning sun rose in the sky, glinting off the maroon paint job. But we expect to hear from him once he is fitted with a new pair of Ray-Bans.

## Look at what's coming up!

### **March 23: Hills and Dales, LaGrange.**

Former home of Fuller E. Callaway and his wife, Ida Cason, of Callaway Gardens fame. We will have two assembly points: one in Peachtree City, and the second in Newnan. Our assembly point in Peachtree City will be old Kroger Shopping Center situated at the northeast corner of the intersection of GA 54 and Peachtree Parkway. Arrival time will be 9:30 a.m. with a targeted departure time of 10:00 a.m. The Newnan group will assemble at the Home Depot parking lot off Highway 34 and I-85 at 10:15 a.m. and will

be joined by the Peachtree City group shortly thereafter. We will target a joint departure time from the Newnan location of 11:00 a.m. Pat and Pam Tyler have found us a good restaurant in the LaGrange area for lunch, prior to our tour of the estate. "Taste of Lemon" is housed in an old church and serves great country food - one entrée and three sides plus iced tea for \$9.95 per person.

From there we will depart for *Hills and Dales*. We have a 2:00 p.m. reservation, which should give us plenty of time to tour the house and surrounding gardens. Cost for the tour will run \$12.00 per person. For those that may have been to *Hills and Dales* prior to 2010 when only the first floor was open, the two upper floors have since been restored and are now open for tours.

**April 6: Bulloch House Restaurant, Warm Springs.** The Romines will be leading us on a lovely day tour to Warm Springs, the location of Bulloch House Restaurant, where we will enjoy Saturday luncheon.

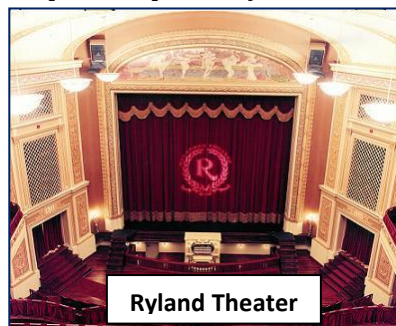

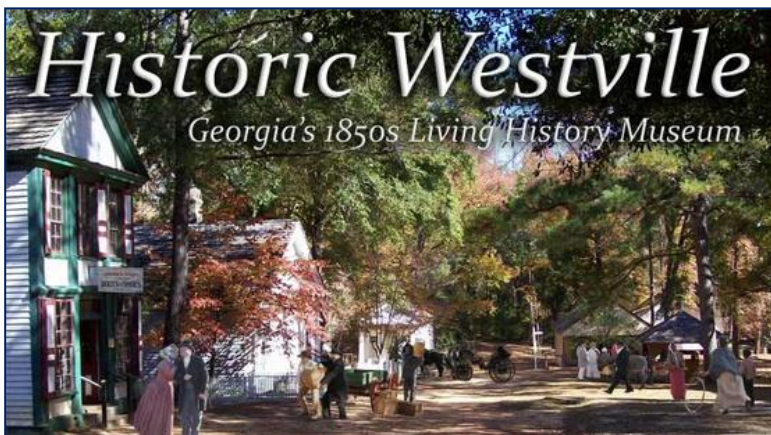

Watch for more details coming soon!

**June 7-9: "Fun With Dick & Jane" Tour.** Dick and Jane Carne are planning a richly varied weekend tour for our club, along with members of the Gold Mine Region, Central Alabama Model A Ford Club and Georgia MAFCA. Our base will be the restored 1892 Victorian Windsor Hotel in Americus. The developing itinerary will be chosen from the likes of tours to Andersonville Confederate Prison Camp, "Westville," a pre-Civil War era village on over 80 acres, with more than thirty original period homes, shops,

and government buildings; the 1920's era Rylander Theater in Americus, and possibly a visit to Grey Moss Plantation, home of Charlie Crisp of Crisp County, GA fame.

BLUE RIDGE PARKWAY  
MAY 6-10

From Charlottesville, VA to Gatlinburg, TN, the Blue Ridge Parkway is considered one of the most beautiful drives in America. With commercial traffic prohibited, and speed limits a comfortable 45mph or less, this is the perfect scenic roadway for the Model A.

The tour will include stops at many scenic and historic places along the way. Several members of the Central Alabama Model A Club are planning to attend, and have already done some advance coordinating with members from our club who have expressed interest. Contact the editors, if you'd like to be part of the group travelling together.
