Thoughts from Our Director

I was thinking the other day about what keeps us going as we age. Now I am not saying that I am old but I do seem to be beating the odds based on watching my old classmates deteriorating at ever increasing rates. So what makes some thrive in old age while others don't?

For me at least, I attribute my relatively good health to the Model A hobby. The Ford Model A hobby can significantly reinforce social factors that contribute to a long, healthy, and productive life by fostering community, promoting happiness, and encouraging intergenerational connections.

Firstly, the Model A hobby creates a strong sense of community among enthusiasts. Clubs like the Model A Ford Club of America (MAFCA) and the Model A Restorer's Club (M.A.R.C.) provide platforms for individuals to connect over shared interests, helping to build meaningful social relationships. These connections are vital for mental well-being and longevity, as they reduce feelings of loneliness and provide a support network.

Secondly, participating in the Model A hobby can enhance happiness and well-being. The joy of driving and maintaining these classic cars, coupled with the camaraderie among enthusiasts, contributes to a sense of fulfillment and satisfaction. The excitement of sharing knowledge and experiences with others can lead to positive emotional experiences, which are linked to longer life expectancy. It reminds me of one of my grandmother's favorite pearls of wisdom, "if you don't move you rust."

Lastly, the hobby encourages intergenerational engagement, as enthusiasts often share their passion with younger generations. This transmission of knowledge and enthusiasm helps to sustain the hobby and fosters a sense of purpose and continuity, which are important for a fulfilling life.

Overall, the Ford Model A hobby not only preserves a piece of automotive history but also strengthens social bonds and enhances quality of life. In the end, I believe that the hobby preserves not only your physical body but your mental abilities and health.

This is one of the best arguments to become more involved in our club and not be a bystander. There are many ways to become engaged. Over the next three months we will go through our nominations and votes for our Board of Directors. If you are chosen to participate, please accept. It will do you a world of good. You will see more details on this from Kathy Huey in the coming days.

In the meantime I hope to see you down the road.

LUNCH BRUNCH TOUR TO LUTHERSVILLE, GA

AUGUST 22

Jim Wingo, reporting

Seven cars and 17 people traveled from Newnan to Luthersville, there were gathered for a delightful breakfast brunch at the County Line Café. Paul and Bonnie Parker, the owners, served an impressive array of Southern delicacies that tantalized our taste buds.

After the meal, Bonnie graciously offered us a tour of her beautifully restored home, a historic gem that has stood for over a century. This landmark, adjoins the old train depot serving Luthersville. It has been transformed into a charming venue for weddings and social events.

A wonderful time was had by all, filled with good food, warm hospitality, and a touch of history.

The Parker's lovely home. Nice backdrop to the Miller's Daisy.

Jim's Tech Tip Identifying Your Carburetor

When ordering parts or looking up adjustment specs for your carburetor, it is important that you identify which one you have. Ice Cream Night! Thursday, September 12

Our first Ice Cream Night of 2024, on August 15, was a big hit! About a dozen of us made our way to the Dairy Queen in Peachtree City, where there was plenty of parking, seating inside (w/AC) or outside on the patio and, of course, countless delicious ice cream concoctions to choose from.

Conversation was congenial, and taste buds were more than satisfied.

So, we're doing it again! Come join us on Thursday, September 12.

Dairy Queen: 300 Petrol Point, Peachtree City (facing Hwy 54)

Time: 7:00 pm (there's also the "Grill," if you'd like to come early for dinner)

We hope to see you there! (We'll send a reminder email a few days before, but go ahead and mark your calendar now. And put **October 10** on there, too, which will be the last Ice Cream Night for the year)

This will be a one-day tour, leaving from the gazebo in Fayetteville, opposite the old courthouse, and picking up Georgia Region participants along the way in Monroe.

The drive is approximately 85 miles on the back roads. A stop for lunch in the Athens area is being organized, too.

FASHION FINDS...

From Gwyneth Shotwell

Over the last few years I've shared all the years in the "Looking One's Loveliest in (year)" with the exception of 1929. Well, here we go! It's interesting to think that this was a time of economic storms brewing, knowing the year would end with the Stock Market crash. You'll note seeing the adage "As hemlines went up, stock prices went down." But fashion never dies.....So here is page one of 1929.

(Thanks to Jill Barrett, Santa Clara Valley Chapter of MAFCA, and the MAFCA website.)

Looking One's Loveliest in 1929

A Pictorial Summary of Model 'A' Fashions

By Jill Barrett, Santa Clara Valley Chapter, California

1929 was a year to remember and a year that rang-out an exciting decade. The 1920's brought consumers' clothing catalogs with ready to wear outfits beyond 'Sunday best' or company outfits that indulged the consumer with larger wardrobes without too much expense or bother.

Henry Ford's advertising campaign emphasized the ease of driving, control under all conditions and a comfortable easy-riding car. With impressive sales figures in January 1929, Ford predicted to make 2,000,000 automobiles in 1929.

As the decade came to a close, the economic barometers were predicting disaster. This was also the year that proved the adage, as hemlines went up, stock prices went down.

1929 fashions found embroidery in ultrafashionable circles used on child's party dresses, smock-top frocks, and women's handbags.

A Trip Down Memory Lane.....

Bet you can't guess whose Model A this is, or who might be in the back seat. Well, it is none other than our own Kelly Adams sitting in the back seat of her father's 1929 Taxi, seen here on the 1966 Glidden Tour in Florida.

Kelly tells us that this authentic Taxi presented a unique seating opportunity for her as a youngster. When she wasn't in the back seat being ferried about, she would sit on an overturned bucket in the front seat, and hold on to the meter! There was no passenger seat in front.

Since Kelly was practically born in a Model A, this is just one of many adventures with her parents through the years. Thanks, Kelly, for sharing this fun bit of local history.

MAFFI Minute

Model A Enthusiasts:

Today, August 19, 2024, the site at the Model A Museum was prepared for the expansion construction to begin! How exciting!! The expansion will allow for more cars to be displayed and stored, more vignettes to be displayed showing era scenes, a garage where cars can be worked on AND where education can take place for maintenance/overhauls of the Model A. There will be a restroom in the building with the expansion as well, which may not be as exciting, but certainly will be appreciated!

Many Model A enthusiasts have contributed to this expansion. We have cash donors, donors who have given Model A cars to be sold, Model A enthusiasts who have purchased Sweepstakes tickets to help out, others have purchased a plaque with their car and name on it to go on the wall as a way of helping. There's also many people to thank behind the scenes too; those gave hours of time getting the donated Model A's for sale running well is just one example. It takes a whole lot of Model A'ers to make a museum this great, and we thank you and love you for it.

Although the expansion is officially underway, we can't stop now! There is a whole new piece of real estate to outfit to tell the story of the Model A and its place in history, so we will continue to fundraise until all the pieces are in place. Thank you for whatever you have done and can do to help the Model A Ford Foundation Inc. Museum be the best.

Cindy Ellenbecker, MAFFI Trustee, Secretary

CHECK OUT OUR NEW NAME TAG DESIGN!

We have a NEW design available for **club member Name Tags!** Pat Tyler has worked hard to bring us an updated tag that offers several nice features.

The letters are larger and easier to read; we have our current club logo alongside the logo for MARC. And one of the best things is the addition of a QR code which, when read by a cell phone's camera, brings up a link to our website. This is a great way to instantly provide information about our club to people we meet when we're out and about.

They attach with a magnet that's sturdy and has a heavy-duty plastic back, making it a little lighter weight than our current model.

The price is \$8 each, which covers the tag, tax and shipping. It takes about two weeks to get them processed.

Here's how to place your order:

1. EMAIL your name(s), and City/State as you would like them to appear, PLUS your mailing address for delivery, to **Pat Tyler:** pat@patpamtyler.com.

2. Send your check at \$8 each, made out to **SOUTHSIDE A's**, to:
